Project Objectives, Status, Progress

Report Date 9/15/86

PROJECT GOAL: To conduct several Train-The-Trainer workshops in the area of highway safety. Participants at these workshops will conduct similar sessions in their jurisdictions.

OBJECTIVES:

- o Arrange for the presentation of three highway safety workshops, each to be held in Maryland, Arizona, and Georgia.
- o Print training materials for all presentations.
- o Process training grants for workshop participants.

STATUS: The training materials have been printed and three presentations of the first workshop, "Highway Safety Features for Local Roads and Streets", have been conducted. Approximately, 80 participants have attended the workshops in Arizona, Maryland, and Georgia. Training Grants for Arizona and Georgia participants have been approved by this office, FHWA, and GDOT. GDOT has issued payment of grants to those participants.

Administrated expenditures for Arizona and Maryland of \$3,000.00 have not yet been paid.

FUTURE PLANS: The remaining six workshops are to be held before the end of 1986 with two workshops planned for Georgia in November, 1986.

Problems: None

Report Date 2/26/88

PROJECT GOAL: To conduct several Train-the-Trainer workshops in the area of highway safety. Participants at these workshops will conduct similiar sessions in their jurisdictions.

OBJECTIVES:

- o Arrange for the presentation of three highway safety workshops, each to be held in Maryland, Arizona, and Georgia. (The location of the last two presentations was subsequently changed to Colorado.)
- o Print training materials for all presentations.
- o Process training grants for workshop participants.

STATUS: The major tasks of this project are the printing of instructor and user guides, as well as the processing of training grants for individuals attending the various workshops. To date, 10,900 publications have been printed and distributed. Nineteen training grants have been processed by tihe Center and distributed by the GDOT.

No additional work was done or funds expended on this project during the period covered in this report.
